

Think SPRING! This easy breezy block will take no time at all. Consider making more than one!

Maybe you will win them all!

From white or light blender:

Cut 2x 3 1/2" squares (A)

Cut 4x 2" X 3 1/2" rectangles (B)

Cut 2x 2" squares (C)

From medium or dark flowered fabric:

Cut 2x 3 1/2" squares (D)

Cut 4x 2" X 3 1/2" rectangles (E)

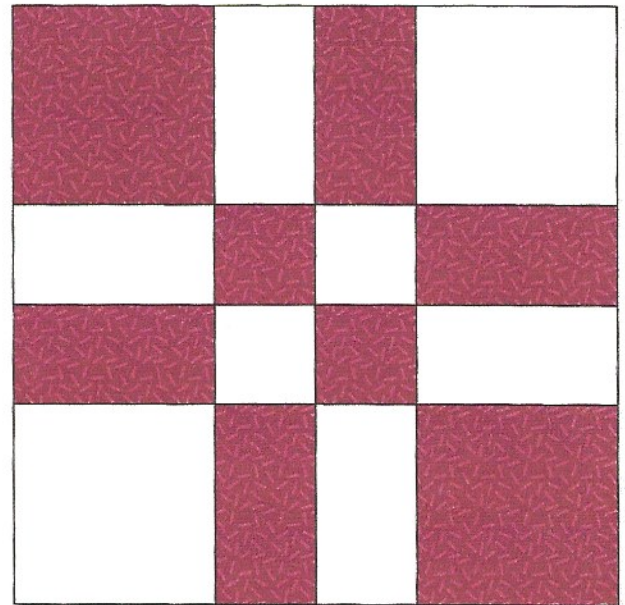

Cut 2x 2" squares (F)

D	B	E	A
B	F	C	E
E	C	F	B
A	E	B	D

Once you've cut out all the pieces, lay them out as diagrammed.

Now sew each horizontal line together, always pressing toward the darker fabric.

Finally, sew the three completed rows together, making a 9 1/2" block.
