

## Lectures and Demonstrations

*(These events will be held in the Conference Room.)*

**Thursday, August 3, 2017**

- 10:00 AM     **Appraisals: Why We Need Them**  
*Vivien Sayre, Quilt Appraiser*
- 11:00 AM     **Putting Art in Your Garments or Quilts**  
*Barbara Callahan of Barb Originals*  
In this is lecture-demo, Barb will discuss techniques and proper placement for embellishment. She will show many projects and explain how they were completed, as well as demonstrate a new technique of using your decorative stitches to make a great wall hanging.
- 12:00 PM     **Making Ribbon Snowflakes**  
*Faye Labanaris of Flower Garden Ribbons*  
Free snowflake kit to all attending. Also, learn how winter snowflakes turn into summer flowers! It's E-Z!
- 1:00 PM       **Notion Commotion**  
*Adele Scott of Adele Scott Design Studio*  
Notions are Adele's favorite subject! Come see what's new and exciting in the world of notions. Save time and effort, be more accurate, and have more fun with your sewing and quilting with all these wonderful products.
- 2:00 PM       **10-Minute Embroidered Mug Rug**  
*Carol Duffy of San Francisco Stitch Company*  
Dust off your embroidery module and start making Christmas gifts! Watch as we stitch up the quickest, easiest-ever mug rug in just ten minutes, completely finished all-in-the-hoop. While it stitches, view a mini-trunk show of more beautifully machine-embroidered items for all skill levels, plus our brand new Summerhouse collection of projects and quilts!

- 12:00 PM     **Appliqué for Cheaters**  
*Bobbie of Quilter's Treasure*  
Are you intimidated by appliqué? No interest or time to do needle turn? Do you want to create the same effect with a quick and easy technique—finish your quilt in hours, not days? If so, this technique is for you! You will be able to convert appliqué patterns and apply this simple technique. NO raw edges! NO registration marks! NO paper piecing! NO satin stitching! NO fusible web! NO piecing! NO reverse appliqué! NO raw-edge appliqué! NO needle turn appliqué! You will learn topic, stitch, and quilt at the same time. It is quick, fun, and easy.
- 1:00 PM     **Free-Motion for Today's Quilter**  
*Adele Scott of Adele Scott Design Studio*  
Yes! You all can do free-motion. Learn what's available to help with your machine quilting. Learn about needles, threads, the new free-motion quilting rulers, and other products that help to give you the best results, plus trouble shooting advice, marking options, tips to easily handle those larger quilts, and more.
- 2:00 PM     **Piecing with Templates**  
*Elizabeth Schedeler of Bits and Pieces*  
How to use Strip Tube, ST, JR, and Braid Templates

**Saturday, August 5, 2017**

- 11:00 AM     **Stars, Stars, Stars**  
*Linda King of King's Treasures*  
Linda will show various ways to make stars and when to use or not use rulers. She will demonstrate the use of some of these rulers.
- 12:00 PM     **Quilt Labels**  
*Michele Stenson of American Folk Art & Craft Supply*  
Learn how to make beautiful and informative labels for your quilts on your machine.
