Bayberry Quilters of Cape Cod is a non-profit organization dedicated to serving the Cape Cod community. We provide more than 500 quilts to social service agencies, veterans of the armed forces, disaster victims, abused women and children, seriously ill children in regional hospitals, and others in need. At our annual quilt show in August, we not only showcase the quilts of our members, but we hold a raffle of two quilts and a basket of Cape Cod items. Proceeds from this raffle support scholarships and toolships for seniors graduating from Cape Cod Regional Tech High School.

We would welcome your sponsorship of our show. Your support will ensure our ability to continue our community outreach work.
