

**BAYBERRY QUILTERS OF CAPE COD
39th ANNUAL QUILT SHOW
AUGUST 20-22, 2020**

BAYBERRY BOOSTER OPPORTUNITY

Bayberry Quilters of Cape Cod is a non-profit organization dedicated to serving the Cape Cod community. We provide more than 500 quilts to social service agencies, veterans of the armed forces, disaster victims, abused women and children, seriously ill children in regional hospitals, and others in need. At our annual quilt show in August, we showcase the quilts of our members and we also hold a quilt raffle with the proceeds supporting scholarships and toolships for Cape Cod students.

We welcome you to join our sponsors as a booster. Your support will ensure our ability to continue our community outreach work.
