

Block of the Month 2021-2022, November

Reminder: Sewn blocks should MEASURE $12\frac{1}{2}$ " square to finish to 12".

Evening star variation with central evening star patch

If you are bringing blocks to the meeting for the traditional raffle, we suggest harvest colors like red and purple.

Cutting instructions:

Background:

Four $3\frac{1}{2}$ by $6\frac{1}{2}$ " rectangles (for large flying geese)

Two $3\frac{7}{8}$ " squares (for half-square triangles in large star)

Four 2" squares (for small star)

Four 2 by $3\frac{1}{2}$ " rectangles (for smaller flying geese)

One $3\frac{1}{2}$ " square (for center of smaller star)

Color 1 (green in diagram):

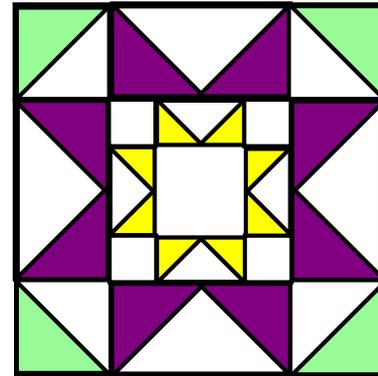

Two $3\frac{7}{8}$ " squares (for half-square triangles in large star)

Color 2 (purple in diagram):

Eight $3\frac{1}{2}$ " squares (for flying geese in larger star)

Color 3 (yellow in diagram):

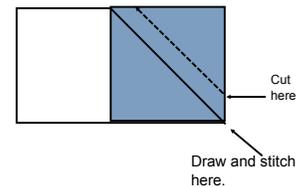

Eight 2" squares (for smaller flying geese)

LARGER Flying Geese units: The SEWN size should be $3\frac{1}{2}$ by $6\frac{1}{2}$ " rectangle.

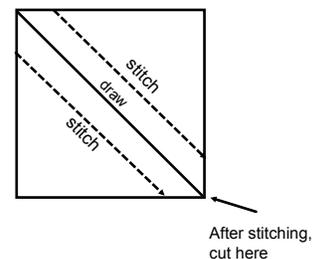

On the back of each colored square, draw a diagonal line. Lay one square on the corner of a rectangle, and stitch on the drawn line. Cut $\frac{1}{4}$ " away from this line as shown. Press open. Then repeat with the other square at the other side of the rectangle. (The picture only shows one of the sides.) Repeat three more times for a total of four flying geese units.

The finished unit will look like this:

Half Square triangle units: The SEWN size is $3\frac{1}{2}$ ".

Draw a diagonal line on the back of one of the squares. Place one background square and one colored square right sides together. Stitch $\frac{1}{4}$ " on each side of the square. Cut on the drawn line and press. You will have two half-square triangle units of the desired size. Repeat for the other pair of squares. You will have four half-square triangle units measuring $3\frac{1}{2}$ ".

For the central star, repeat the process for constructing the flying geese with 2 by 3 1/2" background rectangles and 2" squares in color 3 (yellow in diagram). Construct the central star in three rows. The finished unit should measure 6 1/2 by 6 1/2. Construct the complete block in three rows.

central star
