

2024 Quilt Show Vendors and Services

Welcome aboard to our 2024 quilt show vendors! We have 26 vendors lined up. You can stock up on fabric, patterns, notions, tools, and a variety of other items to keep you busy throughout the next year.

You can also get your sewing machine serviced and your scissors sharpened:

- Anthony's Sewing Machine Service and Repair will be with us again this year to service your sewing machines during the show. A reminder that Anthony accepts cash, checks, and Venmo for payment, no credit cards.
- In addition, Rob of The Competitive Edge will be available to sharpen your scissors and knives. He accepts credit cards as well as cash, check, or Venmo.
